Technical info

Installation

In order to integrate your MobilChat with the rest of your project, use the following markup (don't forget to replace chat id with your actual MobilChat id):

```
<script
src="http://engine.mobilcent.com/chat/?
chat_id=chat id" type="text/javascript">
</script>
```

The markup given must reside at the appropriate place of the target webpage.

Adjusting

In order to adjust the chat to your needs, use the following optional parameters:

Parameter	Type	Description	Default
<code>lang</code>	<code>char(2)</code>	Two-letters language code	RU
<code>limit</code>	<code>int</code>	How many messages are displayed	20
<code>css_path</code>	<code>string</code>	Path to the CSS stylesheet	<code>http://chat.mobilcent.com/chat/style.css</code>

E.g., in order to reduce the number of simultaneously displayed messages to 10, use:

```
<script src="http://engine.mobilcent.com/chat/?chat_id=chat
id&limit=10" type="text/javascript">
</script>
```
